Good afternoon –

It would be hard for my office to say if FDA would refer a MD for licensure termination as my office does not deal with enforcement actions. You might want to contact FDA's office of Criminal investigations. Please see their webpage link below.

[Criminal Investigations](#)

Kind regards,

Doreen M. Kezer, MSN
Senior Health Policy Analyst
Office of Good Clinical Practice
Office of the Commissioner, FDA

Hello,

In the event a medically licensed PI is deemed no longer able to conduct research due to violations, etc., can (and has) the FDA report them to applicable Boards to have their licensure revoked?
