Good morning –

The Center for Drugs (CDER) updates the form and they tell me they don't know when the new form will be completed. You can however use the expired form. You can email CDER directly to check in the future at [druginfo@fda.hhs.gov](mailto:druginfo@fda.hhs.gov)

Kind regards

Good afternoon,

The 1572 found on the NCI Investigator Registration website has an OMB expiration date of 2016.

**Form Approved: OMB No. 0925-0613**  
**Expiration Date: 03/31/2016**

---

**NOTE: No investigator may participate in an investigation until he/she provides the sponsor with a completed, signed Statement of Investigator, Form FDA 1572 (21 CFR 312.53(c)).**

The 1572 found on the FDA Forms website still references an OMB date of 2015.

Form Approved: OMB No. 0910-0014

Expiration Date: April 30, 2015

*See OMB Statement on Reverse.*

**NOTE:** No investigator may participate in an investigation until he/she provides the sponsor with a completed, signed Statement of Investigator, Form FDA 1572 (21 CFR 312.53(c)).

Can you tell me if the FDA document is being updated?

Thank you,
