Good afternoon—

We don't have audit finding per say. We have BIMO inspection findings or metrics. Please see the link below to the BIMO inspection metrics by year.

Subject: CRA audit findings

Dear Sir or Maam,

I am looking into collecting data around the top 10 audit findings for CRAs. My goal is to ensure CRA training is focused on current as well as past trends. Is it possible to get this data from your office?

Respectfully,
