Good morning –

I have consulted my colleagues. They have provided a link to GCP training for clinical investigators. There might be some helpful information in these presentations. We don't have any presentations on GDP.

<http://www.fda.gov/Training/ClinicalInvestigatorTrainingCourse/ucm378250.htm>, Please see day 2 and the session called “Good Clinical Practice (GCP) Key Topics

Kind regards,

Doreen M. Kezer, MSN
Senior Health Policy Analyst
Office of Good Clinical Practice
Office of the Commissioner, FDA

Good morning-

I am currently working for a client who asked for two powerpoint presentations , one on GCP the other on GDP.

Do you happen to have any that could be passed along?

Thank you for your assistance.
