Good morning –

You can search for clinical trials on the website below.

[Home - ClinicalTrials.gov](#)

On the left side you will see a “Search for studies” box. You can place your condition in that box and it will bring up current ongoing clinical trials.

Good luck with your search.

Kind regards,

Doreen M. Kezer, MSN  
Senior Health Policy Analyst  
Office of Good Clinical Practice  
Office of the Commissioner, FDA

I have retinitis pigmentosa. I am seeing a bunch of trials but I can't figure out how to sign up for them. Can you help?
