---

Good morning --

We do not have reports on compliance issues after inspections. However we have BIMO inspection metrics by year that outline common deficiencies. Please see the link below

[Clinical Trials and Human Subject Protection > BIMO Inspection Metrics](#)

Kind regards,

Doreen M. Kezer, MSN

Senior Health Policy Analyst

Office of Good Clinical Practice

Office of the Commissioner, FDA

Subject: inspection reports

Hi,

I understand that the FDA does inspections of clinical trials and puts out reports on any compliance issues. Can you please tell me where those inspection reports are located online?

Thanks,

[redacted]
